# DEDICATION

We, the Sohira Staff and the Senior Class of 1974, dedicate the 1974 Sohira yearbook to Mr. Paul Schumm.

Mr. Schumm has a Bachelor of Science degree in Education. He attended college at Concordia Lutheran Junior College in Ann Arbor, Michigan, Concordia Teachers' College in Seward, Nebraska, Bowling Green State University, Beaver College in Glenside, Pennsylvania, and Seton Hill College in Greensburg, Pennsylvania. He has taught for four years, all of which were at Ayersville. He teaches high school physics, chemistry, and general science. He is also the director of the Science Fair.

Mr. Schumm was one of eleven Ohio high school teachers recognized this year as outstanding science teachers by the Ohio Academy of Science. These citations are made annually to acknowledge the ability of teachers to stimulate student interest and excellence in science.

Mr. Schumm has been the advisor of the Class of 1974 for two years. He had a genuine interest for the class and each student in it. He spent much of his time advising and helping, not only on class matters but individual concerns. Every student appreciated his good-natured personality.

In special appreciation for all his concern and guidance, we dedicate this yearbook to him. Thank you, Mr. Schumm. May God continually bless and keep you.

## ORGANIZATIONS

# RETIREEES

At the end of the 1973-74 school year Mrs. Kathryn Bindbeutel brings to close her teaching career of 34 years. Seven years were spent in the Defiance County Schools and two years in the Defiance City System. She began her teaching at the Ayersville School twenty-five years ago in the sixth grade. Since that time she has taught fourth grade and more recently the second grade. She was a devoted and thorough teacher. Each child was encouraged to do his very best. She had a concern that each student should learn the "Three R's" right. She tried to mold a character that was honest and self-supporting, also. She leaves with innumerable memories of students and changes that have occurred in the school. She takes with her a part of each of us who have been privileged to work with her, and who have learned from her excellent guidance. As she recalls these memorable years, she will most certainly think, "Teaching is a rewarding experience". To her we must conclude, "A challenging job well done".

Mrs. Winifred Bricker has taught twelve of her twenty-five years in the Ayersville School district. These years have been devoted to kindergarten children whose love for school and learning were sparked and kindled by Mrs. Bricker. Her smile, her understanding, her encouragement and her enthusiasm all contributed to meaningful and satisfying experiences in her classroom. These same attributes which made Mrs. Bricker a successful teacher will be with her as she begins life as a retired teacher. We wish her joy and satisfaction in all her new pursuits.

This year the French Club initiated thirty-three new members. Following this there was a Christmas party that was highlighted by the exchanging of gag gifts. Other parties included a bowling party, a pizza and taco party, at Mrs. Zachrich's home, and a fun night with the Spanish Club. The French Club also traveled to the BGSU campus to "The French House" for a dinner and a tour of the campus. They also made a journey to Fort Wayne to a restaurant named Le Cafe Johnell where a five course meal was served. This summer a few of the members of the French Club will be making a trip to Europe, where they will be visiting eight different countries.

September 1973 marked the beginning of football at Ayersville. Coached by Mr. David Welty and Mr. Tom Monti, the team practiced among themselves and held several scrimmages. While no equipment was worn other than gym clothes and flag football belts, the enthusiasm was high. Sixty boys in the seventh, eighth, ninth, and tenth grades participated.

Next year the team will hopefully have equipment so that actual contact may begin. Within a few years football will be a reality as a Varsity sport at Ayersville to take its place among the other team sports.

THE PAST IS OURS  
TO REMAIN IN OUR HEARTS.  
THE FUTURE LIES AHEAD  
TO BECOME WHAT WE MAKE IT.

As the 1973 - 1974 school year comes to a close - so does the 1974 Schiray. The year holds both sad experiences and happy experiences. But it is through these life experiences that a person can learn and grow. We of the Schiray Staff hope this yearbook serves as a reminder of the experiences and treasured memories of the past school year.

I would like to express my sincere appreciation to the business managers, typists, and advertisers for all of their work. I would especially like to thank three people with whom I worked very closely, my assistant editors, Cindy Lieb and Carol Mitchell, and the Schiray advisor, Mrs. Mary Martin. Without the help of these people, this 1974 Schiray would not have been possible.

Sharon Thieroff, Editor
